

VISITORS

The Preschool welcomes parents and other family members. There is an observation room with a one-way mirror available for use at anytime. Visitors may enter through the front doors of Salem High (bus port), sign in at the door, and then walk down to the preschool. When exiting, visitors may do so in the same manner.

BIRTHDAY CELEBRATIONS

We believe that it is important for children to share their excitement with their peers. In celebration, children may bring in cupcakes, cake, cookies, etc. from home. We will celebrate during our snack time.

Please notify staff in advance if you are taking part in this opportunity.

Please Note: The registration fee is applied to your last Preschool payment. Therefore, in May, you will need to pay the balance only.
